CUSTOM FLOORING

CUSTOM FLOORING

The ancient art of marquetry has been brought back to life with one of many masterpieces. The expert mixing and matching of different woods, colours, patterns, floral motifs, ornamental devices and figures come to life before our very eyes. A set piece of scenery to enrich everyday of your life.

Add the warmth and beauty of natural wood to any room. Hard-wood floors can be installed almost anywhere and directly onto most flat and dry surfaces such as concrete.

Enjoy the luxury of having a design wood floor that speaks a million words. A floor made with wood from different parts of the world, enriching and invigorating.

Owing to the limitation of printing technology the colours appearing in this brochure's illustrations may not necessarily match the actual products' natural hues. The pictures are meant to be indicative, for larger floor surfaces there may be colour variations or timber species characteristic that are impossible to show with small sample images. We reserve the right to make changes

The woods we use are not limited to local stocks. We have access to the world's richest and most diverse forests while maintaining ecologically friendly management techniques.

► CUSTOM FLOORING

Medallions

Every floor has its own unique character. Like the human fingerprint, it's uniquely different. Our master craftsmen design and execute floor medallions using a big range of exotic wood species producing a masterpiece that has custom dimensions to suit your application. You may match any medallion with the elements from other flooring medallions, borders or tiles. The combinations are endless.

Owing to the limitation of printing technology, the colours appearing in this brochure's illustrations may not necessarily match the actual products' natural hues. The pictures are meant to be indicative, for larger floor surfaces there may be colour variations or timber species characteristic that are impossible to show with small sample images. We reserve the right to make changes.

Hardwood medallions are a statement of taste and prestige. Medallions are available in the designs shown or in a custom design of your own. For example, the family crest, corporation logo or any distinct personal design. We have hundreds of designs to pick from.

Owing to the limitation of printing technology, the colours appearing in this brochure's illustrations may not necessarily match the actual products. The actual products may vary slightly from the illustrations. We reserve the right to make changes.

Borders

Owing to the limitation of printing technology, the colours appearing in this brochure's illustrations may not necessarily match the actual products' natural hues. The pictures are meant to be indicative, for target floor surfaces, and are not intended to be used as a reference for actual work. We reserve the right to make changes.

With these beautifully designed borders any commodity, standard floor can be brought to life and upscaled to a speciality floor with character. Make your plain floors look extravagant with any border. The following borders are just some of the hundreds that Al Baraa can execute. Our design data base will contain more choice than you could ever think of.

Borders can be handcrafted in the species combinations shown below or in one of your own designs. These pre-assembled borders can be installed very easily by directly gluing or mechanically fastening it to any dry and level subfloor. If you need help in calculating your floor border length, or need to see a simulated design, please drop us an email or call us.

C O M P A N Y P R O F I L E

Al Baraa was established in 1984 in the UAE. As pioneers of solid wood flooring and marquetry, our experience is unique and unmatched in the region. Al Baraa has the latest cutting technologies from lasers to CNC. Al Baraa does not compromise on getting the latest technology in terms of machinery and materials. Our staff are well seasoned and experienced in the field of marquetry. We currently work closely with European contractors to supply outside the Gulf area. We can proudly say that Al Baraa has executed the world's largest marquetry project in Turkmenistan. This is truly a historic job of great proportions.
